

IMPEX GLS Inc

Company Overview

Dear prospective clients,

It is our great pleasure to take this moment to introduce and demonstrate our best transportation and logistics solutions for your global service needs. With unrivaled experience and expertise in supply chain management, IMPEX GLS takes great pride in providing outstanding service performance at the highest possible standard to our clients since 1997.

Starting with a vision of being "The World-Class Logistics Solution Provider", IMPEX GLS has been continuously striving to be the BEST in SCM fields and has grown to generate annual revenue of over 22 million US dollars in 2015 through which we have built a reputable and recognized service brand based on our constant focus on quality customer care.

OUR CLIENTS ARE OUR TOP PRIORITY. We are committed to delivering world-class supply chain management solutions that meet any logistics demand. In fact, IMPEX GLS is more than a freight forwarding company. We are positioned to be a transportation and logistics consultant offering a total SCM solution to meet any service needs in an ever-changing economy.

Today, IMPEX GLS is one of the most reliable freight forwarding and logistics service providers in the industry. IMPEX GLS air and ocean businesses include diverse transportation and logistics services such as international freight forwarding services, contract logistics, supply chain management services, special product services, complete customs clearance and other value-added service activities. A stellar reputation in markets is not taken for granted and IMPEX GLS will always aim to surpass client expectations.
